

SUMMER CLAY CLASSES AT THE SMITHY CLAY STUDIO

1 Otsego Court, Cooperstown, NY

Tuesdays & Thursdays 9am - 12pm Children Ages 7 - 14

Learning to Throw on the Potter's Wheel

July 24 & 26 • 9am - 12pm • \$75 • All Materials Included!

This class is the perfect opportunity for your child to explore his or her creativity. As a group we will learn all steps involved in the wheel throwing process from designing, forming, and trimming, to glazing and firing.

Hand Building with Clay I

July 31 & August 2 • 9am - 12pm • \$75 • All Materials Included!

The sky is the limit in hand building. This week we will explore all aspects of forming clay by hand. Some possibilities include coil pots, pinch pots, masks, animal sculptures, and much, much more. Ceramics is way more than mudpies!

Learning to Throw on the Potter's Wheel II

August 7 & 9 • 9am - 12pm • \$75 • All Materials Included!

This class is the perfect opportunity for your child to explore his or her creativity. As a group we will learn the steps involved in the wheel throwing process from designing, forming, and trimming, to glazing and firing.

*(*It is not necessary to have taken the first week of wheel throwing to sign up for this one. However, if the student wishes to build on what they've learned in the previous session this is the perfect opportunity to do so).*

Hand Building with Clay II

August 14 & 16 • 9am - 12pm • \$75 • All Materials Included!

*The sky is the limit in hand building. This week we will explore all aspects of forming clay by hand. Coil pots, pinch pots, masks, animal sculptures, and much, much more. Ceramics is way more than mudpies! (*It is not necessary to have taken the first week of hand building to sign up for this one. However, if the student wishes to build on what they've learned in the previous session this is the perfect opportunity to do so).*
