BIRDS IN FLIGHT

This Workshop Will Meet For 4 Sessions:

MONDAY, MARCH 11

WEDNESDAY, MARCH 13

MONDAY, MARCH 18

WEDNESDAY, MARCH 20

Each Session Will Meet
From 6:00pm - 8:00pm

\$90 MEMBERS | \$95 NON-MEMBERS

We will look closely at birds in flight and work to understand foreshortening of wings and how tail and head positions work together. Paying attention to these critical details, the artist will be able to create the illusion of space and make birds appear more three dimensional.

Watercolor or acrylics work well for this class.
