MARCH 01

MEMBERS: \$145 NON-MEMBERS: \$155

These workshops will be primarily geared toward beginning painters and those who want to explore painting. Our focus will be on observing and painting the landscape. We will spend time exploring color, value, design, and layout of simple landscape structure. Images will be provided, but feel free to bring appropriate photos or ideas of your own to work from. Other painters are also welcome to attend, to work in other mediums, on personal projects or to refresh their painting skills !
